

# AmbiCanners<sup>®</sup>

# 12

## MIL 470 SERIES

Unique Raised  
Fishscale Pattern  
for Improved Grip

REPLACE BY THE PIECE, NOT BY THE PAIR

### Product FEATURES:

- Made from 100% Natural Rubber
- Patented Ambidextrous Glove is formulated to reduce worker stress and hand fatigue
- AmbiCanner Gloves can be worn over cotton or cut protective gloves
- 12 Mil palm thickness
- 12" Length
- Raised Fishscale Pattern design on the palm and fingers offers more contact surface than conventional hand specific styles, and improved grip of wet and slippery objects.
- Enhanced finger & thumb design for added comfort
- Beaded cuff for ease of donning and better tear resistance vs. other straight cuffed gloves
- Online Chlorination process for easy donning and doffing
- Available in Blue or Amber Color
- Available in numerical sizes: 7, 8, 9, 10
- Component materials comply with FDA regulations for food contact
- Unlined and Unsupported

### Product FACTS:

#### The Ambi Advantage.

AmbiCanner gloves are ambidextrous and can be replaced by the piece. No need to replace the pair like traditional hand specific gloves.

#### Component Materials.

Contains natural rubber latex components used in producing latex gloves may cause allergic reactions in some people. Do not use in latex-free areas. If allergic reactions occur, discontinue use immediately and consult a physician.

#### Performance Stats.

Glove is made using only listed materials and levels as outlined in the Code of Federal Regulations (21CFR), parts 170-199, and is acceptable for use in food, medical and pharmaceutical applications.

#### Quality Standards.

Gloves are manufactured to ISO 9001: 2008 and ISO 13485: 2003 Quality Standards. Inspection Level = G1 AQL of 1.5 for water tightness. 510 K FDA Marketing Device Listing Available.

#### Packaging.

12 pairs or 24 pieces per individual bag, 24 individual bags per carton, 576 gloves per carton.

#### Storage.

Keep ideally out of direct sunlight at 55° to 85° F and 40% to 65% room humidity. Shelf life up to 5 years.
