

Flexion5

ADVANCED ERGONOMIC FINGER TECHNOLOGY

520 Gloves FEATURE:

Summit Glove's Patented Advanced Ergonomic Finger Technology with Flex Knuckles and Thumb Texture.

These gloves allow the hand to naturally bend with less restriction to the joint area. Our Hands-On solution improves worker hand fatigue and comfort. Superior High Acrylonitrile Butadiene Rubber compound provides excellent resistance against abrasion, puncture, and protection in chemical applications. When providing High Quality liquid proof gloves to today's workforce, reach for the Summit.
