PRODUCT FACTS:

The 610PF Advantage.

Summit Glove NitriTech® Gloves are made of 100% Nitrile, a synthetic and durable polymer. Our NitriTech Series offer wearers increased tensile strength and abrasion resistance.

Component Materials.

These gloves are not made with Natural Rubber Latex. Components used in making this glove style may cause allergic reactions in some people. If allergic reactions occur, discontinue use immediately and consult with a physician.

Performance Stats.

High quality nitrile gloves provide an excellent biological barrier. They are not recommended for use against all chemical exposure. These gloves are manufactured using only listed materials and levels outlined in the FDA 21 CFR (Parts 170-199) for safe food handling applications.

Quality Standards.

Manufactured to ISO 9001 and ISO 13485 Quality Systems

Packaging by Weight.

S - 4XL 100 pcs/dispenser box 10 dispenser boxes/ Case

Storage.

Store out of direct sunlight. Shelf life up to 5 years.
